Dear Sirs,

**RE: DRACO DEMOLITION cc.**

During the past year we have undertaken a number of building demolitions using Draco Demolition cc. as a specialist sub-contractor. At all times they have worked entirely within the requested parameters & have taken care that the projects they have worked on are at all times safe, environmentally considerate & limiting the impact on the neighbouring properties.

The Managing Director, Mr. Teddy Habib has at all times been helpful & has gone out of his way to assist us & our Clients. We would have no hesitation in recommending them for future projects.

Please do not to hesitate to contact this office should you have any queries.

Yours faithfully,

HOWARD E. ROBINSON.
